New for 2012

SACU have decided to bring back 'One Day Licences' for Closed to Club events and National events, they will not be available at SACU Championship events, as a full licence is required for this.

The fee for a 'one event licence' is £10.00 payable to event secretary on the day. This money is sent to the SACU along with the Club's insurances for each event. The fee does not go towards a full licence as before, so as long as you are a Club member prior to the event you can have as many one day licences as required.

The only stipulation is that you must have proof of identity with you, as required on the form, either, current driving licence / valid credit card / passport / and current Club membership card.

New Date for 2012

It has been suggested that we run a National Charity Trial, to raise funds for MacMillian Cancer, with all proceeds going to the Carron Hospice. This will be a National Restricted Trial open to all, run at Fintry, Todholes Farm, on March 18th 2012.

Please Put This Date In Your Diary NOW !!

There will be a raffle, camping available on the Saturday evening, with sections to suit all, come and have a great time and help raise money for a very good cause.

This is the last Nark of the year, and your new membership forms are included with this. Please take time to read everything thoroughly.

Next Trial Boxing Day 26th December Dumbarton 12.00

Please Bring a Friend!! All the more the merrier!! This trial is for fun and all the proceeds go to Charity. The Club pays the insurances and the permit, so all entry fees and any donations go to our chosen Charity.

This year the money raised will go to our Charity National in March
Full details on other page in this Newsletter.

AGM Report

Only 4 Club members turned up at the AGM (1 less than last year)

No changes, Membership Fees the same, Closed to Club entry fees the same, two new Committee Members, new Vice Chairman. We have plans underway for a National Charity Trial, running at Fintry.

One point raise at the AGM, we ran at a small deficit, so it was suggested members who could down load their Nark from the web site, should do so, this would help with some of the postage / photocopying costs. Any member wanting a paper copy, would still get one through the post. The membership form has been amended, please tick one box General feeling we should try this for the year and see if any difference.

The first Committee Meeting of 2012 is on Monday 9th of January, in Bannockburn Rugby Club.

Remember all members are welcome to come along to any Committee Meeting, come along help, and find out more.
